CENTURION ELECTRONICS PLC
PARTNERSHIP AGREEMENT WITH AUDIOVOX

Centurion Electronics plc ("Centurion" or the "Company"), the UK provider of in-car audio-visual entertainment, today announces it has signed an exclusive distributorship agreement with Audiovox Audio Produkte GmbH ("Audiovox") to be the sole distributor of Audiovox in-car audio-visual products throughout the UK and Ireland.

Audiovox is a market leader in segments of the wireless communication and consumer electronics market throughout the USA. It has recently formed Audiovox Germany Holdings GmbH, and started expanding its successful business throughout Europe.

The distributorship agreement gives Centurion the sales and marketing of an already established brand offering a wide range of high-quality in-car audio-visual products for the specialist market with which Centurion has established a close working relationship over the past 5 years.

Pat Lavelle CEO of Audiovox stated: "This agreement allows us to expand our distribution of mobile video products to all of Europe as well as to the aftermarket and OEM. Centurion is a market leader in mobile video distribution and we believe that together we are a formidable force in the market."

Chris Rhodes, Chief Executive of Centurion, commented: "I am delighted to secure this distributorship agreement with such an established, quality manufacturer as Audiovox. The exclusive deal will give Centurion access to a wide range of new product opportunities for the specialist market throughout the UK and Ireland."
